DEVON BORN & BREWED!

SOUTH HAMS DRINKS has been producing award-winning craft ales for over 16 years now, from our home overlooking the glorious Start Bay in South Devon.

And with the range expanded now to include Ciders and Soft Drinks - South Hams Drinks is exceptionally well placed to provide more of what people are looking for; quality drinks made with real craft, skill and a passion for perfection.

We delight in serving up our drinks here, with a selection from the range always on tap, changing with the seasons and showcasing what makes us one of Devon's finest craft drinks makers.

Please don't hesitate to ask any of the team for further details on any of our drinks - we will be only too pleased to have a chat about what we do.

OUR RANGE

ALES

DEVON PRIDE: 3.8%

A dark amber coloured beer, with a fruity aroma. This beer defies its abv with a surprising amount of body. Smooth to drink, with a malty palate and plenty of fruitiness to finish.

STUMBLE BEE: 4.2%

A light golden coloured beer with a flowery & fruity aroma to it. Full of body and smooth to drink, certainly the Stokeley honey adds its bit with a nice hoppy after taste. A pleasing blend between bitter and sweet.

WILD BLONDE: 4.4%

The 2015 SIBA Gold and 2019 Silver Award winning beer that is seriously refreshing - overflowing with fruit in the palette. A small amount of crystal malt is in the mix, with a fair amount of Styrian Golden hops used, providing the distinctive fruity aroma.

SUNDOWN IPA: 4.5%

Simply summer in a glass! Our, all new Keg IPA is a light golden coloured ale that is exceedingly refreshing with fruity tropical notes and zesty citrus tones.

SALCOMBE TOAST: 4.5%

Light pale ale with a hoppy finish. The deep flavour of this brew is, in part, down to the breadly undertones so you are getting good depth of flavour at a lower abv.

EDDYSTONE: 4.8%

Not your usual IPA, this golden beer has a distinctly fruity aroma and palate, with slight hints of malt to follow, and then surprise - the fruit returns! An Old English IPA of real taste with an abundance of cascade hops.

SHERMAN: 6.4%

A light, golden ale with tropical fruit and citrus aroma. A warm alcohol flavour initially, followed by tropical fruit and peach tones with a spicy finish - creating an all American Pale Ale brewed with Devon heart.

CIDERS

DEVON BLUSH: 4.0%

An easy drinking medium-sweet, organic cider that has been created using our very fine Vintage Cider, with added hints of blackberry to create this well-balanced fruity drink.

ELDERFLOWER CIDER: 4.0%

A classic taste of English summertime, created using our very fine Vintage Cider and a subtle addition of Elderflower cordial.

DEVON GOLD: 4.5%

This fresh, sparkling, lower alcohol organic cider has a great depth of flavour, created using several different apple varieties from traditional South Devon orchards.

DOUBLE APPLE: 5.5%

The bounty of Devon orchards, and all the natural flavours of the fruit combine to create an aromatic cider, with great depth and a taste that lives up to its name.

VINTAGE CIDER: 6.5%

Made using apples harvested from traditional South Devon orchards; at least fifteen different varieties of bittersweet and bittersharp are pressed to create this rich, balanced and fine organic cider.
